

SUBJECT: 2020 AATI National Italian Examination Results

Dear Colleague,

On behalf of the *Executive Council* of the **American Association of Teachers of Italian**, I would like to commend the excellence of our 2020 National Italian Exam Gold, Silver, and Bronze Award Winners and congratulate all the students who obtained a certificate.

The outstanding performance of these Italian learners in our national competition brings honor to their school, their district, and their Italian program. The AATI highly values the tremendous work of these students and their dedicated teachers. This year we are particularly grateful to our teachers and students who were able to take the exam despite the global health crisis. About 3000 students participated and nearly 1000 received medals for their outstanding performance on the 2020 National Italian Exam. AATI honored 264 students with Gold Medals while 261 students received Silver Medals and 264 students were awarded Bronze Medals. We encourage teachers to send us pictures or testimonials from their students so they can be published on our website.

Please refer to the information below on how to read the report and understand the criteria followed for the distribution of prizes and awards.

### 1. How to read your report

Every participating teacher will receive a report with the students' raw scores and percentiles.

**Raw score** (white column on your report) is the number of points received for the number of questions answered correctly.

**National Percentile** (grey column) indicates the performance of a student in relationship to the performance of all the other students who took the same exam in the same category. For example, if a student took the exam Level 1 in the category A and received a National Percentile of 90, this score indicates that this specific student answered more test items correctly than 90 percent of all the other students who have taken the same exam in the same category nationwide. The percentile is directly dependent on the number of students who took the exam in a specific category and on the average raw score obtained by them. Teachers can consult the [National Percentiles here](http://www.aati-mass.org/national-statistics.html) or here: <http://www.aati-mass.org/national-statistics.html>

#### **Incomplete Exams**

Students who couldn't complete both parts of the exam had to be excluded from the results and their names will not appear on the teachers' report. We strongly encourage teachers to award these students with a *Participation Certificate* to honor their effort and involvement (see below information on certificates).

### 2. Medals and certificates

Medals and certificates are distributed according to the following cut-scores:

**Gold Medal:** 90-100 percentile

**Silver Medal:** 80- 89 percentile

**Bronze Medal:** 70 - 79 percentile

**Achievement Certificate:** 50- 69 percentile

**Participation Certificate:** 49 or lower percentile

**Winners:** the names of the medal winners will be listed in the teacher's report (Quia) that accompanies this letter.

**Medals:** will be delivered for free to all teachers and participating schools. Given the current healthy crisis, there might be some delay in the delivery of the medals.

**Certificates:** *Gold, Silver, Bronze, Achievement* and *Participation* certificates are available for every teacher to download for free and print at the site below using the indicated password. Teachers are responsible for the calligraphy on all students' certificates.

**Winners:** see next page for more information on this year's winners.

**Prizes:** prizes will be sent to each teacher. For questions concerning the Teacher's Recognition Prize, please contact the NIE Teacher Award Director, Antonietta Di Pietro at: [adipietro.nie@gmail.com](mailto:adipietro.nie@gmail.com)

### 6. Awards from the Società Onoraria Italica

The *Società Onoraria Italica* will contribute \$1,200 to the AATI National Italian Examination.

**Criteria:** The SOI committee will select twenty-four (24) students from the *Achievement Certificate List* in each level and they will receive \$50 dollars each. The twenty-four recipients will be selected using criteria established by the *Società Onoraria Italica*.

**Winners:** The *Società Onoraria Italica* operates independently from NIE, therefore for questions about the prizes from the SOI, please contact the *Società Onoraria Italica* Director, Lucrezia Lindia at: [societaonorariait@gmail.com](mailto:societaonorariait@gmail.com) or visit [their website](#)

We would like to thank all the teachers and the students who took the 2020 NIE, while we wish our Award Winners continued success in Italian!

Sincerely,  
Gina Maiellaro

Director of AATI National Italian Examination
